- Talent Show
 - Jantoya not present at the meeting but volunteers are always needed. Rehearsal is later this week and the talent show is the following week.
- Committee Reports (Upcoming)
 - Ice Blast – Italian ice was well-received. Kids liked it and it was a great way to avoid food allergies. The Italian ice was FREE – donated by Jewel in Westchester
 - Sock Hop – Successful event with great turnout
 - Flying High – waiting on check/info. 193 students attended and there was \$7 off for each registered student.

- Run for 102 – only 50 people are registered and this is less than last year at this same time. There may be some confusion because run is now combined with Run for the Roses.
- Compass for Girls – March 3rd. 4th & 5th grade girls – Forest Road is hosting. There is very low enrollment and it is at risk currently so we need to spread the word.
- Dad/Daughter Dance – volunteers are needed – will do an email blast. There are over 100 attending.
- Restaurant Night
 - Mattones – during the polar vortex but still had a good carry-out turnout. \$250 profit.
 - Next Wed – Q BBQ, March – DiNico's (they give back 50%), Working on Nothing Bundt Cakes, May 30th – Barrel House
 - Box Tops – ends mid-next week – must be postmarked by March 1st. Our goal is 3,500 box tops
- Due to Snow Days/cold – the last day of school is pushed out by one day
 - June 4th = full day
 - June 5th = half day
